UFO Reports 2007

Date	Time	Town / Village	County	Occupation of reporter (where known)	Brief Description of sighting
03-Jan-07	22:08				Objects were seen in the sky towards the moon.
06-Jan-07					A UFO.
16-Jan-07	20:45	Llanpumsaint	Carmarthenshire		Ball of light that faded away, then came back again. Orange ball was near the car. Three red lights were seen moving clockwise.
01-Feb-07	17:25	Archway/Islington	London		Twelve - fifteen orange balls of light seen moving across the sky. Moved upwards, then faded away.
03-Feb-07		M4 Motorway/Swindon	Wiltshire		An object fell from the sky. It had like a green halo around it. Was very bright.
03-Mar-07	22:29	Long Eaton	Nottinghamshire		A curved, diamond shaped object, passed over the witnesses head, going North. It was travelling very fast.
07-Mar-07		Cold Ashby	Northamptonshire		Joined lights suddenly moving independently and erratically. Sometimes vertical.
14-Mar-07	19:00	Idridgehay	Derbyshire		A very bright light.
21-Mar-07	19:30	Wirksworth	Derbyshire		Looked like three small aircraft. They were totally still in the sky. They were very white.
29-Mar-07	11:25	Lincoln	Lincolnshire		Two objects, with very bright lights. They were moving too slow to be aircraft.
08-Apr-07	00:11	Southampton	Hampshire		Two distinctive lights, which were reddish in colour and were moving rapidly from South West to North.
09-Apr-07	21:00	Skegness	Lincolnshire		There was a dark silhouette/figure/thing quite low in the sky. It seemed quite flat, and the edges seemed to curve downwards, slightly.
12-Apr-07	20:30	Duxford	Cambridgeshire		Fifty objects, each with a single orange light. They gathered, before ascending directly upwards.
13-Apr-07	21:46	Forress/Moray			Very bright light, (much brighter than a star), with rays radiating outwards. Object was stationary.
14-Apr-07	06:30	Liverpool	Merseyside		A red, pipe like object. It was seen for about 10-15 seconds, very close to the plane. It then disappeared into the clouds.
17-Apr-07	21:20	Glasgow	S'clyde		Five orange/red glows were seen in the sky. They were moving quite fast. They were in formation and then parted and disappeared.
17-Apr-07	02:45	Stafford	Staffordshire		A flying saucer with lights on it. It changed from a saucer shape to a star shape and then disappeared.
20-Apr-07	21:30	Bexley	Kent		There were over fifty lights floating in the sky. They were red/orange in colour.
21-Apr-07	09:27	Bury St Edmonds	Suffolk		Four, black sphere shaped objects flying through the sky.
23-Apr-07	14:09	In the air nr Alderney	Channel Islands	Two Pilots, different planes	First object was bright orange/yellow. There was a gap in light or darker area. Second object was identical.
01-May-07	15:55	Leicester	Leicestershire		Tear shaped object, that was black in colour. The object was travelling fast and left what sounded like a rocket sound behind it.
20-May-07	02:04		West Derbyshire		Round orange ball, which then turned into an orange speck, as it moved further away.
