CERTIFIED MAIL – RETURN RECEIPT REQUESTED

Mr. John R. Greenewald
[redacted]

Dear Mr. Greenewald:

Subject: Freedom of Information Act (FOIA)
Request Number 2009-003019

This letter is in response to your February 27, 2009, FOIA request seeking copies of certain documents relating to the Stephenville Lights on January 8, 2008.

We are enclosing seven photocopies and a CD-ROM containing continuous data recording from the Dallas/Fort Worth Air Route Traffic Control Center, the only known Air Traffic records within the Central Service Area. During the period in question, there were several aircraft in the vicinity of Stephenville. Your request is within a category that entitles you to all review and search time and 100 copies at no charge; however, there is a $12.85 charge for the CD.

Payment, in the amount of $12.85, may be made by check or money order payable to the Federal Aviation Administration (FAA). Please include your FOIA number on the bottom left-hand corner of your check. Your payment should be mailed to:

FAA/ATO Central Service Center
ATTN: Lettie Perez, AJV-C52
Fort Worth, TX 76193

You can also make payment electronically through Pay.gov. A link from our FOIA web page (www.faa.gov/foia/) will take you to a secure website where you can pay by e-check or credit card. When you access the website, you will be asked to provide FOIA Web Payment ID 327791, your FOIA request number, requester's name, and amount due.

Your request has been assigned FOIA Request Number 2009-003019, which should be referred to in any further correspondence concerning this matter. Should you have any questions, please call Ms. Connie Johnson, FOIA Specialist, Administrative Services Group, ATO Central Service Center, at 817-222-4039.

Sincerely,

Konstantine Nezer, Jr.
Director, ATO Central Service Center

Subject Re: Fw: Stephenville, Texas

During the period in question we had several aircraft that were in the vicinity of Stephenville. First we had a King Air descending on approach to BWD from the west at 1822 lcl. We had 4 F16s enter Brownwood MOA/ATCAA at 1817. They were just east of Stephenville at 165 heading 195 and worked the south area 070b340. At 1826 4 more F16s entered the same spot and worked the north area. They split into two flight of two and exited at 1854 and 1858.

Roland,

My Questions for Ft Worth center and DFW:

Date: 8 Jan 2008
Location: The area around Stephenville, Texas +/- 50 miles
Time: 1730 to 1900 local Texas time (More specifically 1815 Local)

1. Was there any unusual weather that would have change standard flight patterns
2. Was there any unusual Radar Targets
3. Were there any Pilot reports of unusual lights or aircraft
4. Was center controlling any aircraft in the Brownwood MOA's
5. Was traffic using standard routing (what is used "most" of time)
6. What altitude would aircraft normal be, coming in from southwest around Stephenville

Thanks,

James McGaha, MS, FRAS
